

# CARRYING YOUR WORLD ON OUR SHOULDERS

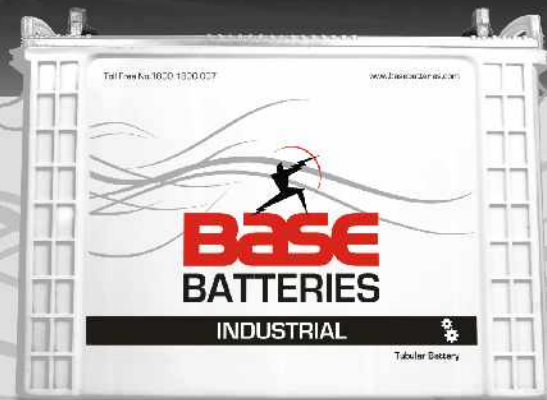

With 25 years of technological innovation in automotive and standby power solutions, Base is known for its unparalleled expertise in batteries.

Base-Tuff Industrial batteries are ideal for industries, offices and business centres. These heavy-duty tubular batteries come with a long life guarantee, low maintenance and high warranty. It's time you let us carry the load for you.

# INDUSTRIAL

- Features**
- Terminal design provides resistance to acid leaks, seepage, corrosion and allows the terminal posts to stay clean and corrosion-free.
  - Special alloy to maximize corrosion resistance, increase cycle life and reduce water consumption for battery durability.
  - Micro porous ceramic float guide vent plug - environment friendly and free from acid fumes.
  - High pressure casting tubular positive plate design for defect free fine grained tough spines to give long life to battery.
  - DARAMIC (France) PE envelope separator by virtue of high porosity, low electrical resistance and excellent oxidation resistance, serves as a perfect separation medium.
  - Advanced active material formulation for excellent discharge performance and faster recharge.

### Specification\*

Model	Volt	Capacity C10	Bench charging	Dimensions (in mm)			Approx. Battery weight with acid (Kgs)
				L	W	H	
BTi 40	12	40	3	410	173	267	27.0
BTi 80	12	80	5	504	190	356	46.5
BTi 100	12	100	6	502	190	407	51.5
BTi 120	12	120	7	502	190	407	56.5
BTi 150	12	150	8	502	190	407	61.5

### Applications

- Digital UPS & UPS
- Wind energy storage
- Telecommunication equipment
- Office automation equipment
- Fire alarm & security system
- Electronic EPABX
- Electronic cash registers
- Emergency lighting
- Data processing systems
